EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Terrance A. Meador on 16 January 2008.

The application has been amended as follows:

- In claim 7, line 10, "structures by;" has been changed to structures by: –.
- In claim 13, line 15, "in a second" has been changed to in at least a second –.
- In claim 13, line 16, "in a second" has been changed to in at least a second –.
- In claim 16, line 12, "in a second" has been changed to in at least a second –.
- In claim 16, line 13, "in a second" has been changed to in at least a second –.
- In claim 23, line 10, "in a second" has been changed to in at least a second –.
- In claim 23, line 11, "in a second" has been changed to in at least a second –.
- In claim 26, line 10, "in a second" has been changed to in at least a second –.
- In claim 26, line 11, "in a second" has been changed to in at least a second –.

The amendment to claim 7 corrects a typographical error. The amendments to the remaining claims are necessary to overcome the 35 U.S.C. § 112, second paragraph, rejection by clarifying that there may be more than two subframe structures. It is noted that the form for these amendments was taken from the amendments to claim 7.
